OUR INSTITUTION

XIBA is in a lush green environment inside the St. Xavier's College led by Jesuit fathers, who together strive towards holistic development of the students. XIBA since then has grown in strength and is actively working with Industries in this region to develop future leaders who are driven by Excellence with Ethics. Over the years XIBA has chronicled the success stories and maintains a fine blend of theory and practice. In summary, Xavier Institute of Business Administration, within the esteemed St. Xavier's College, is a premier destination for those seeking a comprehensive management education that not only prepares them for the competitive business world but also instills in them the values of compassion, integrity, and social responsibility.

WHY THIS COLLOQUIUM?

Sustainable development has emerged as a global priority for governments, industries, and communities.

As businesses pursue growth, responsible environmental stewardship has become essential.

This colloquium explores how corporate governance and visionary leadership can drive green development through ethical decision-making, responsible resource utilization, and long-term sustainability strategies.

KEY HIGHLIGHTS

Discussions will include:

- ESG frameworks
- Green financing and carbon-neutrality targets
- Circular economy initiatives
- Leadership models that promote environmental responsibility
- Governance practices that ensure transparency, accountability & stakeholder engagement

The forum brings together academicians, industry professionals, policymakers, entrepreneurs, and students to deliberate on emerging trends and corporate roles in shaping sustainable futures.

Who Can Participate?

- Faculty members
- Research scholars
- MBA students
- Industry professionals
- Entrepreneurs
- Sustainability and governance practitioners
